The Watertown Daily Times captured the 1976 high school prom court as the class of 1977 were juniors. Those present at the recent reunion marked their spots in a similar configuration.

Watertown High School Class of 1977 held its 45th reunion Riverbend last weekend, and decided to have a little fun with a then-and-now photo. We’ll be kind and say that we barely notice a difference between the 1976 prom court picture in the Watertown Daily Times and the photo of the same students taken last week. But in keeping with the original prom theme, “of dream on,” we will leave it at that.

Those who were in attendance and also on the 1976 Junior Prom Court gathered at the old high school’s Dodge Street entrance to reenact the photo. The king and queen also posed for a shot.
